

Project Coordinator- Active Communities Project

Active Life Club (ALC, Empowering Young People Through Sports)

- Full– Time 35 hours per week
- £26,000 per annum
- Based in Govanhill Workspace, working across Southside Central, Glasgow
- Closing date 20th November 2020
- Interviews 9th December 2020

Role

The Board of Trustees, of Active Life Club (ALC) SCIO are looking to recruit an exciting new position of Active Communities Project Coordinator. We are looking for a highly motivated individual to work closely with us to deliver the charities vision and its day-to-day programmes.

The Active Communities Project Co-Ordinator will have responsibility for coordinating and delivering front line sports/ physical activities programmes for young people we engage with, as well as managing all volunteering activities and additional services delivered by Active Life Club (ALC).

For more information and a full job description [click here for a link to job description](#).

The post is funded till 31st of March 2023 fixed terms subject to satisfactory probationary period with 35 hours per week over weekdays/evenings/weekends.

Completed application can be sent to recruitment@activelifeclub.org. Under the terms of the 1996 Asylum and Immigration Act, you must have permission to work in the UK? The closing date for applicants is midnight on the 20th November 2020. ***This post has been identified as requiring a PVG check***

This post is funded by the 'Glasgow Communities Fund' through Glasgow City Council.
